CAREER OBJECTIVE

Individual having extensive expertise collecting, processing, and organizing data for analysis and decision-making. Excellent grasp and competence with data analysis tools such as **SQL, Spreadsheets, Tableau, and Python**. Communication, organizational, and analytical abilities are essential. I recently finished the **Google Data Analytics Certification**, which is a comprehensive hands-on curriculum that covers the whole data analysis process.

Dept. of Electronics and Communication Engineering East West University	Dhaka
Higher Secondary Certificate (H.S.C) <i>GPA: 4.08 out of 5.00</i>	2013 – 2015
Birampur Govt. College	Birampur, Dinajpur
Secondary School Certificate (S.S.C) <i>GPA: 5.00 out of 5.00</i>	2008 – 2013
Birampur Pilot High School	Birampur, Dinajpur

KEY SKILLS

Python	SQL	Data Analysis	Tableau	Machine Learning	GitHub	Computer Vision
DBMS	C++	MATLab	Deep Learning	OOPs Concept	Image Processing	OpenCV

PROJECTS AND RESEARCH

Analyze FitBit user case study (BellaBeat) <i>Python</i>	August 2021
Google Data Analysis Capstone Project	SourceCode
End-to-end Bengali handwritten text to speech synthesis pipeline <i>Python</i>	Summer 2020
East West University	SourceCode
Bangladesh's temperature changes data analysis and visualization <i>Python</i>	January 2021
Personal Project	SourceCode
USA accident exploratory data analysis (EDA) <i>Python</i>	April 15
Personal Project	SourceCode
Analog message signal analysis using several modulation schemes <i>MATLab</i>	Summer 2019
East West University	

PROFESSIONAL COURSES

Google Data Analytics Certification	August 2021
Google	Certificate
Microsoft AI Classroom Series	April 2021
Microsoft	Certificate

SOFT SKILLS

Document Creation: Microsoft Office , LaTeX, Markdown

Languages: English, Bengali

EXTRA CURRICULAR ACTIVITIES

Creative Writing, Reading Books, Technical Research, Teamwork

CLUB INVOLVEMENT

Electronics and Telecommunications Club

East West University

Summer 2016 – Fall 2020

Volunteer
